

A Year of Devotions for the Lord's Supper

It's Suppertime James Gresham

It's Suppertime presents 52 devotions that direct our thoughts to Calvary in a creative and inspiring way. Each presents the truth of Christ's sanctifying work in our lives but from a variety of perspectives. They are inspired from news stories, historical events, every day experiences or familiar hymns. Old and New Testament scriptures reinforce the themes and prepare your heart for the Lord's Supper.

Each one is a fresh look at the familiar observance that will help us renew our remembrance of Jesus.

The devotions were developed for use in worship services for preparation for the Lord's Supper. This book provides a ready resource for someone to use for that purpose, either as written or as a catalyst for personal preparation.

The book is also an excellent resource for personal devotions as a reminder of Christ's love expressed at Calvary. Each devotion will direct your attention, renew your appreciation and inspire your adoration for Jesus and his sacrifice that redeemed us.
